Poynter Center Spring Calendar

- **Public Programs:** The programs below are all free and open to the public.
- **Location:** Our Roundtables and Healthcare Ethics Seminars are small-group seminars with lots of time for questions, held in the Poynter Center building at 618 E. Third St, the southeast corner of Third and Indiana. The Future of Professional Ethics events are hosted by partnering organizations – please visit [fpe.indiana.edu](http://fpe.indiana.edu) or contact us for details.
- **Seating:** An RSVP is not required, but there is limited seating, so it helps. If you have a large group interested in ethics please contact us; we are happy to work with you to design a program that can accommodate your numbers.
- **Parking:** For events at the Center, paid public parking is available in the Henderson Garage directly behind the Poynter building and metered street parking is available on Indiana and nearby streets.
- **Abstracts & more information about our programs is available on our website and Facebook page. Questions may be directed to eayoung@indiana.edu.**
